

MEDIA ADVISORY

RAMS TO JOIN WITH CITY YEAR L.A. TO BEAUTIFY LAUSD'S DYMALLY HIGH SCHOOL IN WATTS

WHAT:

Los Angeles Rams front office staff will visit LAUSD's Dymally High School for a school beautification project. The Rams will help paint murals around campus to inspire the school's current and future students. The Rams are joining with team charitable partner, City Year Los Angeles, on the initiative. [City Year](#) is a national organization that mobilizes AmeriCorps members for a year of full-time service in underserved communities to serve as tutors, mentors and role models for students so they graduate high school, college, and become career-ready. A 2015 study found that City Year's partner schools are nearly 2 to 3 times more likely to improve on state assessments in Math and English than schools without City Year. During the 2017-2018 school year, the Rams partnered with City Year by sponsoring a team of AmeriCorps members to help serve Grape Street Elementary School in Watts.

The beautification project is part of the Rams' monthly Day of Service program. Each month, the Rams front office staff takes time out of the office to volunteer with local non-profits. Since returning home to Los Angeles, Rams staff members have provided more than 3,000 hours of community service and impacted 18 non-profits and 40 schools through the Day of Service program.
